Least Convincing Argument

- But I just went twice
- But it was called for Sever
- But there aren't any vowels
- Pete Abrams: I'm smart, too
- He's wearing a ranger hat
- I put it in a Klein bottle and it disappeared
- I would also very much like to know
- I'm a freshman
- *I'm not actually that scary*
- It was called a week ago
- It's all about letting go
- Jack Thompson
- You don't want to _____
- Just look at the long spiky tail
- Lowell has cockroaches
- My parents beat me as a child
- Reg doesn't have that much work to do
- Since when am I Ms. HRSFA?
- Slap me and call me George Bush
- We can end non-cons an hour and fifteen minutes early
- What is my least favorite holiday?
- *You don't feel like you want to cut that off*
- You know, you have to type that too
- You've seen it so often, you know you can do it

Mitigating Circumstance

- I'm not a freshman anymore
- It's good for HRSFA
- *It's good for Vericon*

Most Convincing Argument

- /thwack/
- Andrew has 7 points
- But it followed me home
- But your hair looks so nice that way
- /Flail flail flail/
- For reasons
- Think of the kittens
- He's Slovakian
- I didn't second that
- *If Jason, David, and Kirby all block together, they'll end up in Lowell*
- If you don't like it, nominate it for the opposite category
- It makes it go faster
- It was originally called for the Science Center
- Just look at the long spiky tail

- Kevin! Kathy!
- Natural 20
- Repeating the argument louder
- Since seconded
- Surreptitiously writing in the wrong column
- The alums are called HRSFans
- Wait, you can just copy and paste this, can't you
- What is my least favorite holiday
- Would you like to buy a duck
- You know, I can just refuse to call on people
- You've seen it so often before, you know you can do it
